Mobilize People Banker Declares

Community participation as a factor in securing industry was stressed by speaker after speaker Tuesday at an economic development clinic sponsored here by the Canyon Chamber of Commerce.

Robert Seal, vice president of the Republic National Bank of Dallas, told a joint meeting of Canyon civic clubs that the community must be mobilized.

"Mobilization means the entire citizenry," declared Seal. "You have to have an educated citizenry and it has to be fired up. If you think Canyon, Texas is God's country, you've got to be prepared to sell the difference. It's up to an educated citizenry to make the sale."

Seal said community enthusiasm is the answer to industrial development. He cited instances in which enthusiasm, education and community participation had resulted in industrial development, more pay roll and a better way of life for a community.

Seal spoke before a civic club crowd of near 200. The actual sessions of the clinic were sparsely attended. An average of about 25 persons attended the clinic sessions.

Jim Heath of Austin acted as moderator for the panel. Heath is an industrial development consultant for the Texas Industrial Commission.

James Kelly, Austin, assistant executive director of TIC,

Gidden Is New Demo Chairman

Marion Bruce has resigned as Randall County Democratic chairman and has been succeeded in that post by Joe Gidden.

Bruce said it was necessary for him to resign as county chairman when he announced his candidacy for state representative from the 75th District, an office presently held by J. M. "Red" Simpson. Simpson

Zoning Standards Get Okay

Approval was given Tuesday by members of the Planning and Zoning commissions to the preliminary form of a new set of zoning standards for Canyon.

The action, taken on the standards prepared by Marvin Springer, urban planning consultant of Dallas, was made at a joint meeting of the two governmental agencies and the City Commission.

Final approval will be given when Springer adapts the stan-

Confirm Clifford Conviction

The 12-year sentence of William Bond Clifford, 34, Canyon, was confirmed Wednesday by the Texas Court of Criminal Appeals in Austin.

Clifford was assessed 12 years in state prison in Deaf Smith County after conviction on a charge of assault with intent to murder in the shooting of Billy Joe Stevens at Hereford in April of 1966.

Stevens was shot a few minutes after Clifford's wife, Carol Shirley, had been slain in her Canyon apartment as three small Clifford children looked on.

Clifford was freed Oct. 18, 1967 after serving 13 months in prison for the murder of his wife.

Clifford contended at his trials that his wife and Stevens had been having an affair.

Clifford has been free on $10,000 appeal bond. Whether he would be taken into custody immediately could not be learned late Wednesday.

Second Notices Mailed Here

Second notices that deliquent taxes are due were mailed to Canyon residents today, Thursday, according to Rankin Eisenberg, assessor-collector.

The notices should be disregarded if payment has been made, he said.

The attempt to collect more than $33,000 in deliquent taxes on both real and personal property was decided last year by the City Commission. It has been decided that tax suits will be instigated against those with deliquent accounts.

All-State Singers Selected

Mary Starnes, soprano, and Buddy Roland, tenor, were named to All-State Choir in elimination tryouts held Saturday at West Texas State University.

Named as alternates for All-State Choir from Canyon High School were Hal Owen, first alternate tenor, and Gary Moore, first alternate baritone.

The All-State Choir Concert will be held February 8-10 in Austin, according to Miss Linda Adams, choral director at CHS.

Two Items Added To Issue Sought

Two more items will probably be included in a sewerage treatment plant expansion bond issue which is expected to be offered for voter consideration here in April by the Canyon Commission.

Commissioners indicated Monday they favored including street widening on Fifth, Third and Second avenues at an estimated cost of $163,000 and $50,000 for storm sewer replacement of Fifth.

Cost of 24 acres of land for expansion of the dump grounds and a new trash collection truck will be about $25,000.

The street widening program, discussed early last year, will involve Fifth Ave. from 17th to 28th St.; Third Ave. from 17th to 23rd St.; and Second Ave. from 21st to 23rd St.

The street project, commissioners were told, would involve widening from 31' to 45' and would require the removal of some trees.

A trash collection truck, similar to one purchased more than one year ago, will cost $17,000 and land for the dump expansion will cost an estimated $350 per acre.

The programs discussed Monday will be coupled with a $287,000 bond issue on expansion of the sewerage treatment plant facilities south east of the city.

To help defray some costs on the sewer project, commissioners passed a resolution requesting $75,000 from the Texas Water Quality Board, through Public Law 660 which gives such aid to municipalities.

Attendance Drops Here

Student attendance in all but one unit of the Canyon Independent School District is down over normal figures, officials report.

The only school seemingly not affected by a rash of influenza is Gene Howe Elementary in South Amarillo. Principal Luther Lawless said his Monday attendance was only down 12, or one student per home room.

There were 108 students absent from Rex Reeves Elementary Tuesday, Oscar Hinger, principal, reported. This 100-plus figure is about five per cent over the normal of 4 per cent of the total school enrollment.

Reports at the Canyon Junior High School show about 11 per cent of the total enrollment absent Tuesday, which is about twice the amount usually recorded. All teachers, said Principal Dan Trew, were present.

There were 72 students absent from CHS classes Monday, which is about 15 per cent of the total student body.

Principal Hobart McDonald said four teachers were also among the influenza-plagued.

Normally, McDonald said, 95 per cent of the student body attends classes.

The influenza has come at a critical time, he explained, because students are reviewing for mid-term examinations scheduled next week.

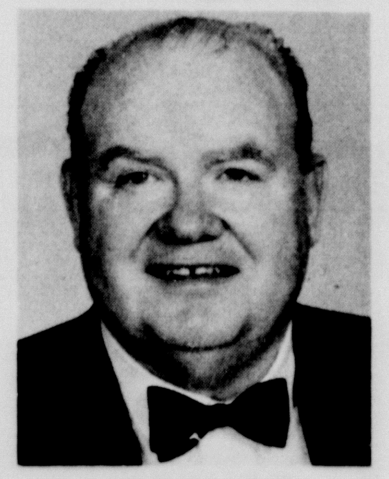
Mrs. Louise Mitchell, registered nurse at the West Texas State University Health Center, said many students have complained of chest congestion, muscular aches and pains.

Doctors, she said, have told many students they have "flu-like" symptoms.

Annual Chamber Banquet Tonight

The annual Canyon Chamber of Commerce banquet will be held at 7:30 o'clock tonight in the West Texas State University East Cafeteria.

Speaker for the occasion will be Tom Lavin, widely known humorist, philosopher and musician from Atlanta, Tex. His show will include 20 minutes of new jokes and stories and 25 minutes of the latest music and fun.



TOM LAVIN

Lavin is executive secretary for the Natural Food Associates, Inc., a national non-profit educational organization with headquarters in Atlanta.

Lavin is a native of Arkansas but has lived in Texas for the past 18 years. His job carries him over 30 states each year with 100,000 miles actual air travel annually.

He is a member of the American Society of Association Executives, United Airlines Half-

CHARLES N. STARNES, JR., left, was sworn into the Reserve Officers Corps of the US Naval Reserve Tuesday by his father, the Rev. Newton Starnes, right. Starnes is a West Texas State University sophomore, and Rev. Starnes is a lieutenant commander in the chaplain corps of the Naval Reserve and pastor of Canyon's First Methodist Church. Looking on at center is Commander Earl G. Hallberg of Amarillo.

Recruit Sworn In By Father

Charles N. Starnes, Jr. was sworn into the Reserve Officer Corps of the US Naval Reserve Tuesday by his father, the Rev. Newton Starnes, a lieutenant commander in the chaplain corps of the Naval Reserve, and pastor of Canyon's First Methodist Church.

Observing the ceremony was Commander Earl G. Hallberg, commanding officer of the Naval Reserve Training Center in Amarillo where the ceremony was held.

Starnes, Jr. is a sophomore student at West Texas State University where he is majoring in mathematics and physics.

After the completion of two summers of training and receiving his degree, Starnes will be commissioned as an ensign in the US Naval Reserve and will serve on active duty for three years.

Provision has been made in his contract for deferment for graduate study.

Canyon Lad Dies In Road Mishap

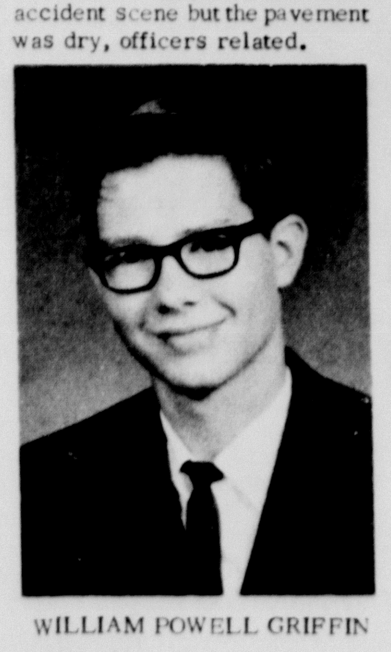
Funeral services for William Powell Griffin, 16, who was killed Saturday morning 7 miles west of Canyon when his 1957-model automobile struck a tree, were conducted Monday at the Central Church of Christ here.

He was the son of Mr. and Mrs. Rex Griffin.

Treated and released at Neblett Memorial Hospital following the accident that occurred at about 4 a.m. were Maurice Smith, Jr. and Johnny Ashley. The Smith boy suffered a cut on the arm and the Ashley boy a gash on the knee.

Investigating officers said the Griffin vehicle apparently skidded backwards on US Highway 60 six and one-half miles west of the city and struck the tree. The vehicle was traveling east at the time of the crash.

A heavy fog prevailed at the accident scene but the pavement was dry, officers related.



WILLIAM POWELL GRIFFIN

The junior student at Canyon High School was pronounced dead at the scene by Randall County Justice of the Peace W. A. (Bill) Wilson, acting as coroner.

Conducting the services were Rev. Jerry Mercer, pastor of the Grace Baptist Church, and Herman Alexander, minister of the Central Church of Christ.

Interment was in Dreamland

COVERING FUMBLES

Arguing with an ignorant opinionated person is the ultimate in futility--and reflects on your own personality.

FARM BUREAU DIRECTORS Louis Tucek, left, and LeeRoy Bauer examine trophies that will be presented at the 21st annual Randall County Junior Livestock Show and Sale to be conducted here Friday and Saturday. Judging of animals will begin at 1:30 p.m. Friday.

Livestock Show Is Set Here Friday, Saturday

The 21st annual Randall County Junior Livestock Association Show and Sale will get underway here Friday afternoon with more activities planned Saturday.

It has been announced by show officials that 80 barrows, 12 steers, 25 horses and from a dozen to 15 lambs will be in the show this year, plus from six to eight dairy and beef heifers. The figures do not include entries from the Happy FFA organization.

Dairy heifer judging will kick off events at 1:30 p.m. Friday, followed by beef heifers at 2:30 p.m. and horses at 3:30 p.m.

A breakfast for exhibitors and their fathers will be held from 7 until 9 a.m. Saturday. It will be sponsored by the agriculture committee of the Chamber of Commerce and will be held in the American Legion Hall. The stock show will resume at 9 a.m. with swine judging.

Lambs will be judged at 1 p.m., steers at 2:30 p.m., and the sale is scheduled to begin at 6:30 p.m.

The Randall County Farm Bureau will give showmanship trophies for all classes and Novice Showmanship awards will be presented by the Canyon Kiwanis Club.

A concessions booth will be operated by the Randall County 4-H adult leaders, assisted by 4-H girls. Mrs. Bill Dugan is chairman of the project.

Buddy Winters, Idalou commercial swine producer, will judge the barrow and lamb show and Denny Fuston of Panhandle will be judge for the steer show. Fuston is a graduate of West Texas State University, where he was a member of the judging team. He has helped judge previous association shows.

A WTSU livestock judging team will be on the sifting committee and dairy and beef judgers will probably come from the university.

The sifting committee is responsible for eliminating undesirable animals before they reach the show.

The association will sponsor the Farmer Schaeffer award for the greatest non-showing contributor connected with the annual affair.

Forrest Gruner, association president, will be aided by an executive committee for the show composed of R. B. Gist, Jr., Walter Cranmer, Meade Michael and James Bible.

Those on the sales committee, of which J. O. Parker and J. I. Fletcher are co-chairmen, include Jack Ziegler, Joe Gidden, Johnnie McBroom, Glenn Dowlen, Clarence Beckman, W. A. (Bill) Wilson, O. H. Rahlfs and J. C. McClendon.

Bandsmen Selected

Three Canyon High School bandsmen were selected at Region I tryouts for All-State Band Saturday at West Texas State University.

Selected were Roseanna Mathis, flute; Evelyn Hadley, cornet; and Sara Beth Meyer, baritone.

The trio will compete at area tryouts in Lubbock January 20, according to Gary Zook, CHS band director. Students selected at the area contest in Lubbock will advance to All-State Band in Austin, January 31-February 3.

Jack Jennings New CFD Chief

Jack Jennings is the newly-elected chief of the Canyon Fire Department.

Jennings, who was unopposed in the volunteers' election, was defeated for the post last year by Jim Christopher. Jennings is also fire marshall, a position filled by the City Council.

Other officers named include Buck Risner, assistant chief; and Gerald Warwick, second assistant chief.

Volunteer officials for 1968 are Marvin Fite, president; Curtis Lehnick, vice president; and Roland Black, secretary-treasurer.

Those moved from the volunteer waiting list to regular membership were Bill Bumgarner, M. E. Rhodes, Delton Cochran, Ronald Taylor and Jim Killingsworth.

Deposits Increase

Statements of condition of Canyon's two banks shows that deposits are up considerably on the Dec. 30 statements as compared to Oct. 4 statements.

The Dec. 30 statement of West Texas State Bank shows deposits of $2,584,454.29 as compared to $1,907,236.26 Oct. 4 for a gain of $677,118.03.

The statement of the same date for First National Bank in Canyon shows deposits of $12,891,819.20 as compared to $12,623,262.55 Oct. 4. This is a gain of $268,556.65.

Annex Contract Awarded Monday

Randall County commissioners court Monday accepted the apparent low bid of John Moss of Amarillo for construction of a new two-story annex to the Randall County court house.

The Moss bid was $397,740 with $14,501 to be deducted from the bid if an elevator is not installed in the annex. Moss is headquartered in Amarillo. The bid stipulated 320 days for completion.

Six other contractors submitted bids.

Commissioners are scheduled to meet at 10 o'clock Friday morning to authorize the issuing of warrants not to exceed $400,000 and bearing 5 percent interest.

This money will be used to finance the building.

The warrants will be issued for 18 years but upon completion of the building when all warrants are outstanding they will be refunded into bonds for a shorter period. Bob Davis, representative of Columbian Securities which is handling the financing, said these bonds probably would be issued for 10 to 15 years at the prevailing interest rate not to exceed 5 percent.

Move to accept the Moss bid on the building was made by Commissioner Clarence Beckman and seconded by Commissioner Glenn Dowlen. It was approved unanimously by the court.

The court opened three bids on a punch-card voting system

FROM THE CANYON RIM

I was disappointed Tuesday with the turnout for Canyon's economic development clinic.

A great deal of work went into making ready for the clinic. It was well publicized. People knew about it.

A dozen experts came to town to tell Canyon how to attract industry. All of them agreed that it would take community participation.

Almost all of the dozen agreed that Canyon is well endowed with qualities needed to attract industry. It has educational, recreation and transportation facilities.

It has the only freeway terminal in the Panhandle. It is located on two main highways. The Santa Fe's main line runs through Canyon.

We have the Panhandle's only four-year institution of higher learning. We have a lion's share of the Panhandle's recreation and cultural opportunities.

We have good public schools. We have sound city and county government with a fairly attractive tax structure.

With all this going for us, we haven't attracted much industry.

Canyon doesn't seem overly concerned about it. In spite of the fact that the state of New Mexico thought the Canyon economic development clinic was important enough for it to send a representative to monitor the meeting, only a handful of Canyon folks showed up.

There WAS a good turnout for the luncheon. This proves that Canyon folks DO like to eat.

At the regular sessions of the clinic there were often more panel members than there were Canyon business people in the audience.

Since the clinic, I've heard some people say Canyon doesn't need industry---that West Texas State University is enough industry for Canyon to grow and prosper.

I sincerely disagree with this train of thought.

Canyon needs industry for several reasons. Canyon needs pay roll. Pay roll means trade and retail sales and that means community prosperity.

Industry will provide taxable real estate to continue to support the good schools we already have. Farm land is limited on the amount of ad valorem tax it can afford to pay in ratio to its ability to earn.

The fact that West Texas State University is located here is all the more reason Canyon should seek industry. Industry would provide part time jobs for young people while they attend the university and would tend to encourage bright young people to make their homes here once they get their sheepskin.

Industry will mean a better Panhandle, a better West Texas State University and a better Canyon. I'm wholeheartedly for all three.

B. R. Jones says he will not seek re-election as county commissioner from Precinct 1. B. R. is rounding out his second term and he has been a moving force in the development of Randall County.

When I first met B. R. Jones, I was inclined to think he represented dissension. I was to learn that he represents Randall County. Stubborn as a bulldog when he's convinced he's right, B. R. Jones is an honest, sincere man of integrity.

He is a man who is not afraid of stepping on toes but he still is a man who is considerate of those about him. I'm going to miss him at the court house and Randall County is going to miss him.

'TEXAS' Exec Sets Speech

Mrs. Ples Harper of Canyon will be a speaker at the third annual Governor's conference on tourism slated Wednesday at the Terrace Motor Hotel in Austin.

Mrs. Harper is former president of the Panhandle Heritage Foundation, sponsors of "TEXAS", musical drama which is performed each summer in Palo Duro Canyon State Park. She is now public relations director for the organization.

The conference is to open with a discussion of Hemisfair by its chief executive, Jim Gaines of San Antonio. There will also be descriptions of the activities of the Institute of Texan Cultures by Henderson Shuffler.

At a luncheon, the governor will unveil the trails throughout Texas which are to be especially described and promoted, and present an award to the person who has contributed most to the tourist program in Texas during 1967.

B.R. Jones Won't Run

B. R. Jones Monday announced that he would not seek reelection as county commissioner from Precinct 1.

Jones was elected commissioner in 1960 when he defeated B. E. McCormick for the post and gave South Amarillo equal representation in commissioners court.

B. R. JONES

At that time, C. Y. Johnson was serving as commissioner from Precinct 4, a post subsequently won in 1962 by Bill Butler.

Jones, who is 41 years old, said he plans to devote his time to private business. He is engaged in property management.

"I made my decision some time back," Jones told reporters Monday. "I am announcing it at the present time so that anyone else who is interested in the job will have plenty of time to file before the Feb. 5 deadline."

Jones at one time was mentioned as a possible candidate for state legislature. He said Monday that he will not run for any office this year.

"I'm not burning any bridges behind me," the commissioner declared. "I'm still interested in politics and might be a candidate for office at some future time."

Jones presently is serving as president of the West Texas County Judges and Commissioners Association. He is Randall County representative on the Bi-County Community Action Committee.

In the meantime, a Canyon man has announced that he will seek the Precinct 1 commissioner post. He is Paul T. Collins, 71 years old, a retired Santa Fe Railway employe.

Collins has lived in Canyon a year and a half after moving here from Amarillo. He had moved to Amarillo from Kansas and had lived in Amarillo about 10 years before moving here.

Collins said he will seek election on the Republican ticket. Mrs. Collins is an instructor in the English Department at West Texas State University.

Prayer Week Is Planned

Week of Prayer for Christian Unity will open with services next Thursday evening at 7:30 o'clock at St. Andrew's Episcopal Student Center.

Rev. Charles Pederson, pastor of the church located at 2516 Fourth Avenue, will be the speaker for the first in a series of combined prayer services.

Other local churches participating in the week of prayer will be the First Christian Church, First Methodist Church, First Presbyterian Church, Canyon Church of the Nazarene and St. Ann's Catholic Church.

A CANYON HIGH School student was killed in a one-car accident six and one-half miles west of the city Saturday morning. Pronounced dead at the scene was William Powell Griffin, 16. Treated and released at a local hospital were Maurice Smith, Jr. and Johnny Ashley.

TPHF Meet Jan. 28th

Annual meeting of Texas Panhandle Heritage Foundation, Inc., will be held at 3 o'clock the afternoon of Jan. 28 in the Branding Iron Theatre on the West Texas State University campus.

This announcement came this week from Pete Gilvin, president.

Following the meeting, Bart Man, a goldsmith from San Angelo, will exhibit some of his work.

Gilvin also announced that there will be a private opening of "TEXAS" June 28 for members and their guests with a dinner and special entertainment. Governor and Mrs. John Connally will be invited.

"We expect to have the travel and entertainment editors present from several leading newspapers," Gilvin said.

Gilvin also announced that there will be an Easter Sunrise service at Pioneer Amphitheatre in Palo Duro Canyon and that a new sound and light show will be available for special occasions.

Tumbling Show Is Scheduled

Fourth through sixth grade students from Rex Reeves Elementary School will present a tumbling exhibition Friday at 8 p.m. during a 'B' team basketball tournament at Canyon High School.

The exhibition was orginally scheduled during half-time activities at a CHS-Portales, N. M. basketball clash in December, but the game was cancelled.

Lowell Weaver, physical education instructor at the elementary school, said 65 boys and girls would participate in the 15-minute program.

Assisting Weaver will be Cindy Salser and Joe Burrows, both student teachers.

"TEXAS" Tryouts Scheduled

Three tryout dates for 'TEXAS', musical production in Palo Duro Canyon State Park, have been announced.

The first audition will be held Jan. 20 from 9 a.m. until noon in the Branding Iron Theatre on the West Texas State University campus. College students only will be able to audition Jan. 27 from 1 until 4 p.m. in the WTSU BIT and a March 2 tryout schedule will be conducted in Arlington.

Members of the cast must be available from June rehearsals through Labor Day.

Those wishing to audition should be prepared to give a memorized reading not to exceed three minutes. The reading is to show voice projection and characterization.

Actors filling minor roles also double as members of the chorus and all applicants should audition for singing as well as acting roles. Singers should present one prepared selection and have an accompanist or music for an accompanist. The selection should show the strength and quality of the voice, whether it be opera-aria, art, show or folk song.

The 'TEXAS' director, William Angus Moore, the musical director, Royal Brantley, and Raymond Raillard, executive vice president for the show, are to be present for the auditions. Both Moore and Brantley are on the WTSU staff.

Performances, which will begin June 29th in Palo Duro Canyon State Park, will be scheduled nightly except Tuesdays through Labor Day.

In the first two seasons of the musical, more than 125,000 people from throughout the world have viewed the Paul Green production.

GOOD GROOMING is all part of preparing animals for the Randall County Junior Livestock Association Show and Sale slated here Friday and Saturday. This animal, being groomed by Rick Hales, will be judged at 9 a.m. Saturday.

Hunters Bag 14 Aoudad Sheep

Hunters had bagged at least 14 aoudad sheep as of Tuesday night in the short hunting season for the exotic animal.

The season began Saturday and was to continue through to a half hour after sundown Wednesday. Hunters were hampered by bad weather.

At least two Canyon men bagged aoudad sheep. T. S. Stevenson, Jr., and Curtis Lehnick each killed a sheep Tuesday on the Newton Harrell Ranch east of Canyon.

Phil Evans, Canyon, a game biologist with the Texas Parks and Wildlife Service, said 60 to 70 hunters have taken to the rough terrain inhabited by the sheep in Randall, Swisher, Armstrong and Briscoe Counties.

The first sheep was taken Saturday by Bill Howse of Wichita, Kan., on the Newton Harrell Ranch, Roy Reynolds Camp, about 14 miles east of Canyon. It was killed Saturday.

It was the biggest sheep taken so far. It field dressed 190 pounds and had 29-inch horns.

Evans kept the north checking station on the Terrell Christian Ranch at Claude. He said three rams and one ewe had been checked in there as of Tuesday night.

Dick DeArment, also with the Texas Parks and Wildlife Service, maintained the south checking station 6 miles east of Silverton at Roadside Park on Highway 256. Four rams and four ewes had been checked in there as of Tuesday night.

WTSU-City Meet Set

A meeting between West Texas State University officials and City Commissioners will be held Friday to discuss jurisdiction on several city-owned campus streets.

The meeting, set for 5 p.m. in the City Hall Annex, was called after it was learned the WTSU Security Department has no jurisdiction to issue citations on some streets on campus.

Jurisdiction was taken from the university following a recent WTSU Student Court decision.

Oratory, Tempers Flare At COG Meet

BY WAYNE BOARD

Tempers flared and bitter words were exchanged last week in Amarillo at a meeting attended by two local governmental agencies called to duscuss the formation of a Council of Governments.

Canyon, Randall, Potter and Amarillo commissioners were on hand at the meeting to discuss the Council of Governments approach to regional planning and communications betterment, but instead heard mostly heated exchanges involving Canyon author J. Evetts Haley, Fletcher Sims, Canyon resident, and Amarillo City Commissioner L.O'Brien Thompson.

A COG is designed to promote communications between various subdivisions of government and to facilitate planning in urban areas.

After Thompson read a press release signed by he and the three other Amarillo City Commissioners which noted, "... there is a future growth pattern developing in the two counties and cities that would dictate that our prejudices be laid aside and serious study undertaken", Amarillo City Manager John Stiff made several explanatory remarks concerning COG.

"The word COG," Stiff said, "has been abused as much as the word 'urban renewal'. It (COG) can be called anything you want to call it."

If the Amarillo metropolitan area does not accept a COG, Stiff continued, little federal funds will be available for necessary development.

"If we choose not to form a COG," Stiff declared, "the state is going to do it for us."

Noting that a new highway is needed to Amarillo's airport, Stiff said no state funds would be made available to the project unless the action is sanctioned by a local planning agency.

Other government agencies that would be involved in the COG, Stiff explained, would be school districts in Amarillo, Canyon, Bushland, Highland Park, River Road, Umbarger, Happy and Wildorado. Membership would also be open to eleven special districts or interest groups.

Stiff said operation administration would depend on the COG representatives, as would project financing. An executive director, appointed by the COG membership, would oversee operations of the system.

"The purpose of COG is to build confidence, and faith in the metropolitan area and to better plan for that metropolitan area," Stiff declared.

He said the COG would be composed of at least 51 per cent elected officials that would have no authority to levy taxes or enact legislation.

When Haley attempted to discuss a riot control squad recently proposed by Amarillo Mayor J. Ernest Stroud but voted down by his commission, Stiff said the topic was out of order.

Thompson suggested the four groups strongly consider having as much as 75 per cent of the membership in COG elected officials.

"Thomas Jefferson said it was not faith in men, but binding them by a constitution--I don't remember the exact quotation," Sims declared.

"When asked for his comment on the formation of a COG in Randall County, Commissioner B. R. Jones said he "didn't know we had been invited to a political philosophy group. I thought conventionalism existed in smaller towns. I'll withhold any comments."

Haley said he understood the gathering was an opening meeting and Mayor Stroud added that he had invited several people to attend and discuss the COG formation.

"The purpose of the meeting," Thompson stated, "was to have a discussion by the elected officials. We can't have it with this type discussion."

"I am here to take my part in the discussion as a citizen of Canyon," Haley declared.

"We need to face our problems--how is up to us," commented Canyon City Commissioner George Ritter. Ritter is also a government professor at West Texas State University.

After Potter County Judge Bill Adams noted the medical center at the western edge of Amarillo was the result of good planning, Canyon Mayor Paul Lindsey drew applause from some of the 50-odd present by stating he wanted the COG matter taken before the voters.

"If we go into this, the people who elected us should have a say-so at the polls," Mayor Lindsey stated. "I'm not saying I'm against it, I just don't know enough about it."

Commenting on COG financing, Mayor Lindsey noted that "if we pay dues, it has got to come from somewhere" and if any federal money is accepted "there's going to be strings attached".

Mayor Lindsey said he did not speak for his commission, as the matter of COG has not been discussed.

Mayor Stroud, who has been at odds on most major issues with the Amarillo city fathers, drew laughter form the audience when he commented that "I do not speak for my commission either."

Follwoing a scathing speech against COG by Amarillo dentist Dr. John Whinery, Haley took the floor. Haley is author of "A Texan Looks At Lyndon", book criticizing President Lyndon Johnson.

Declaring that his son had been "hailed into court" for a refusal to accept federal money, Haley declared that "I have had all the planning by some super overruling authority that I will stand for."

"We've been living with the problems of the Panhandle since its settlement," Haley continued. "All we have to do is to reinvoke the Constitution."

J. EVETTS HALEY, local author-historian, spoke against a Council of Government approach to planning at a meeting last week in Amarillo. Attending the COG meeting were members of the Canyon, Randall, Amarillo and Potter commissions.

Haley said the government had been planning for 30-odd years with a result of rioting and poor prices for cotton, cattle and wheat.

"The government," he declared, "has compounded our problems and confused our thinking."

Haley concluded he was "willing to leave the decision to the people of Canyon".

After Commissioner Thompson suggested the four groups individually discuss the formation of a COG, Mayor Stroud read a press statement in which he chastised the COG proponents.

"It has been argued that we have too many depulications in city-county agencies. Council of Governments would only be adding to this overlapping, unless of course the city-county agencies with their elected officials are abolished," Mayor Stroud said.

Mayor Stroud also questioned the source of COG financing and if the program would be voluntary and yet mandatory in order to qualify for federal funds.

After questioning the COG executive director's qualifications, training and experience, Mayor Stroud called COG the infliction of serfdom.

"It has been said that he who controls the land, controls people, and this is why I feel that no elected official has the right to inflict this type of serfdom upon those who have placed their faith and trust in him."

Mayor Stroud said he, like Mayor Lindsey favored an election in the four areas involved to decide if the people in each respective city and county wanted a COG.

Others present from Randall County Commissioners court were Clarence Beckman, Glenn Dowlen, Judge P. H. Malloy and County Clerk LeRoy Hutton.

Those at the session from the Canyon City Commission were H. R. Fulton, Jr., mayor pro-tem; City Manager Paul Davis, and City Attorney Elton Cox.

Others from Canyon attending were E. E. Plank, and B. E. McCormick.

CITATION BY PUBLICATION

THE STATE OF TEXAS

TO: LESLIE GREY OEHME, Defendant, Greeting:

YOU ARE HEREBY COMMANDED to appear before the Honorable 47th District Court of Randall County at the Courthouse thereof, in Canyon, Texas, by filing a written answer at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 5th day of February A.D. 1968, to Plaintiff's Petition filed in said court, on the 1st day of December A.D. 1967, in this cause, numbered 8357 on the docket of said court and styled PATRICIA LOUISE OEHME, Plaintiff, vs. LESLIE GREY OEHME, Defendant.

A brief statement of the nature of this suit is as follows, to wit:*

DIVORCE

as is more fully shown by Plaintiff's Petition on file in this suit.

If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.

The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates hereof, and make due return as the law directs.

Issued and given under my hand and the seal of said court at Canyon, Texas, this the 18th day of December A.D. 1967.

Attest: Mavis Hill Clerk,
47th District Court
Randall County, Texas.
By Nat Nalley, Deputy. 4tc-38

THE STATE OF TEXAS

To the Sheriff or any Constable of any County of the State of Texas-GREETING:

WHEREAS, on the 14th day of November, 1967, Star Lumber & Hardware Co. Inc. d/b/a Amarillo Roof Truss Company recovered in the 47th Judicial District Court of Randall County, a judgement against John B. Allen, Jr. d/b/a Allen Homes for the sum of TWO HUNDRED ONE and 09/100 ($201.09) DOLLARS together with interest thereon from the 10th day of June, 1966, at the rate of 6% percent per annum and costs of suit; and whereas, the said judgement is a foreclosure against Jimmy Ray Spencer and wife Frances Jeanette Spencer and Federal National Mortgage Association of a Mechanic's and Materialmen's lien on the following described property, to-wit:

THE IMPROVEMENTS ONLY, consisting of a house and garage on property described as Lot 11, except the northerly 2 feet as measured perpendicular to the common lot line of Lots 11 and 12, Block 9, South Georgia Unit No. 1, an addition to the City of Amarillo, Randall County, Texas, as shown by a map or plat thereof duly recorded in the Deed Records of Randall County, Texas, and also known as 5105 Benton Street, Amarillo, Texas, as said Mechanic's lien existed on the 14th day of November, 1967, and it is ordered and decreed by said judgment that said property be sold as under execution in satisfaction of said judgment. And of said property shall sell for more than sufficient to pay off and satisfy said sums of money, the excess should be paid into the treasury of this Court. But if said property should not sell for enough to pay off said sums of money, the balance due shall be made as under execution, and such order of sale shall have the force and effect of a writ of possession, and the officer executing same shall make a good and sufficient Bill of Sale and place the purchaser of said property in possession thereof within 30 days from date of sale.

Therefore, you are hereby commanded that you proceed to seize and sell the above described property, as under execution, and make a good and sufficient Bill of Sale and to place the purchaser of the same in possession thereof within 30 days after the day of the sale, and you apply the proceeds thereof to the payment and satisfaction of said sum of Two Hundred One and 09/100 ($201.09) Dollars, together with the interest that may be due thereon, and the further sum of Five Hundred and no/100 ($500.00) DOLLARS, attorney's fees and costs of suit, together with your legal fees and commissions for executing this writ. And if the said property shall sell for more than sufficient to pay off and satisfy said sums of money, then you are hereby directed to pay over the excess thereof to the registry of this Court. But if you fail to find said property, or if the proceeds of such sale be insufficient to satisfy said judgment, then you are directed to make the money, or any balance thereof remaining unpaid, out of any other property of the defendant, as in case of ordinary executions.

Herein Fail Not, but due return make hereof within* 90 days, showing how you have executed the same.

Given under my hand and seal of the 47th Judicial District Court of Randall County, at my office in Canyon, Texas, this 19th day of December, 1967.

dards to a land-use survey map he has been preparing for several months. The standards are similar to those being formulated in Amarillo by Springer.

Springer suggested the land-use survey map be on display somewhere in the city for two weeks before public hearings are called. While there will be some zone changes, patterns previously established have been followed, Springer explained.

As for much-discussed parking problems at West Texas State University, Springer said the new zoning requirements would not solve the problems, but perhaps a solution could be reached through an overall plan at WTSU.

He noted that 80 per cent of the male students and 50 per cent of the female students have automobiles.

The standards and land-use survey map are part of an overall master plan for Canyon and have been included as items in a requested planning grant, financed in part by the Department of Housing and Urban Development (HUD) in Washington, D. C.

Included in the zoning standards are zone districts, use of land and buildings, parking regulations, specific use permits and other restrictions on construction within the city.

Briefly discussed by the three governmental bodies was a set of proposed subdivision regulations, which were submitted by Springer in August, 1966.

Gidden has been serving as county secretary for the Democrats. He is manager of the Southwestern Public Service Company Canyon office.

Gidden said he will serve as acting chairman only until a meeting of the county executive board is held later this month and a new chairman appointed.

"Until then I will handle filings of candidates in the county for the Democratic Party," Gidden reported.

Deadline for filing for the primaries is midnight Feb. 5.

J. Evetts Haley, Canyon, is county chairman for the Republican Party.

told the group that industrial development is not something miraculous.

He listed community betterment, good sound economic information, adequate finance, sites and buildings and prospecting as five key factors in obtaining industry.

William Davis, Austin, TIC, said prospective industry is often located because of the appearance of a community. He suggested a number of ways in which the appearance of a community can be improved.

One of these was to make an effort to get merchants or civic groups to dress up the windows of vacant buildings so as to give the buildings an occupied look. "A community needs well-maintained public buildings," he said.

He noted that Littlefield spent $400,000 on improving the community's appearance and that the expenditure was followed by a 33 percent increase in the city's retail sales.

"It's a good business investment," Davis declared.

Larry Milner, Amarillo, director of industrial development for Southwestern Public Service Company, warned that existing industry should be shown that the community is interested in it first.

Milner said existing industries should be encouraged to expand and new industries should be shown how they can make a profit in Canyon. He suggested a bill board program advertising Canyon and a community betterment program.

Roger Owens, also with SWPC, told how the area's natural resources can be used to attract industry.

Phil Davis, Austin, said Canyon has a wonderful opportunity to benefit from tourists but noted that Canyon is losing a lot of its tourist dollars to Amarillo. He said that in coming months Hemisfair in San Antonio and the Olympics in Mexico City will tend to pull thousands of tourists through this area and that Canyon should make plans to profit from this influx.

Robert L. Watson, Austin, with the Texas Historical Survey Committee, said Canyon has the finest museum of its type in the state. "You have a fine historical preservation program," Watson declared of the Randall County Historical Survey Committee.

"Canyon has a tremendous advantage in attracting industry because of this fine institution, West Texas State University," said Bob Mills, Amarillo, director of public information for Pioneer Natural Gas Company.

"It is our responsibility to develop WT," he went on. "The Committee of 67 (a citizens committee studying methods to upgrade WT) is a great thing for the Panhandle and Canyon."

Mills said Amarillo and this area lost an important industry a few years back because the people who could have placed it here favored a university in another city over West Texas State.

"We need to work on development of West Texas State," he re-emphasized.

William King, Amarillo, manager of the Amarillo office of Texas Employment Commission, outlined the services offered by the TEC.

Everett L. Williams of Amarillo College opened the sessions after lunch with a discussion on the need for vocational training.

Heath discussed sites and buildings and stressed the need to have industrial sites under control of an industrial foundation or the Chamber of Commerce.

Joe Clark, Amarillo, industrial development consultant with the Santa Fe Railway, offered the assistance of his company in securing industry.

Don Raburn, Austin, TIC consultant, told the group that industrial foundations play a key role in securing financing for prospective industry.

Kelly discussed finding prospects and declared that existing industry in a community is often the best prospect in terms of new pay roll through expansion.

Dr. Emmitt Smith is chairman of the Canyon Chamber of Commerce industrial development committee.

Tom Henry Is Injured

Tom Henry of Canyon is in fair condition at Northwest Texas Hospital in Amarillo following an automobile accident which occurred early Monday morning.

A Canyon relative said Henry, 34, was coming off the Canyon Expressway at 34th and Harrison in Amarillo when his pickup skidded on the icy street and struck a parked car.

Henry was rushed to the Amarillo hospital where he is suffering from a ruptured small intestine.

DR. EMMITT SMITH, left, is shown here with Robert Seal looking over a program for the economic development clinic held in Canyon Tuesday. Seal, vice president of Republic National Bank of Dallas, spoke before a joint civic club luncheon Tuesday noon. Dr. Smith is chairman of the Canyon Chamber of Commerce industrial development committee. (See Story Page 1)

to replace the lever-type voting machines presently used by the county.

Action on these bids was deferred.

H. S. Newman, voting consultant for the state of Oklahoma, attended the meeting Monday in an effort to purchase Randall County's old voting machines for Oklahoma County, Okla.

"We rejected the same system you are buying," Newman told commissioners.

"I don't usually give advice unless it is paid for," Newman went on, "but the system you have now is the best you can get."

He said that before this county goes into a punch-card voting system a company handling the system should be requested to conduct an election here so commissioners can see the system in operation.

"The system you now have is the best," he declared. "It gives you the most accurate total untouched by human hands."

Mrs. Mary Ann Walter of Amarillo attended Monday's meeting as a representative of the League of Women Voters. She objected to the punch-card system because the voter is required to sign his ballot stub under that system.

Mrs. Walter expressed herself in favor of retaining the present voting machines.

Randall County commissioners favor the punch-card type principally because of the handling, storage and price factors.

The resolution passed Monday will request 30 per cent of the planned cost from the TWQB for the project.

City Engineer Bill McMorries of Amarillo told the council that the resolution was the first of eight steps required to receive the aid. Also involved with the TWQB in the fund request is the Department of Housing and Urban Development in Washington, D. C. and the Texas Health Department.

Commissioners agreed to meet with West Texas State University officials later this week to discuss parking on the campus.

Following a recent decision by the WTSU Student Court, it was learned that the university has no jurisdiction on some of the city-owned campus streets.

WTSU officials have discussed the possibility of closing the campus to non-student traffic with guards at various points.

"They argue it would cut down on the number of tickets they would have to issue," said Commissioner George Ritter who is also a WTSU government professor.

WTSU Security Chief Bobby Hudson recently estimated his officers issued 12,000 annually.

City Attorney Elton Cox said the city could either give the streets to the university by ordinance or by a quit claim deed.

An ordinance, he stated, would abandon the streets to the school but if in effect for two years, would mean the city could not open the streets again without condemnation proceedings.

The quit claim deed route would just abandon the streets, Cox explained.

"They just don't have a court out there--it's a student court," Cox declared, adding that the city could not give the university a police power over the streets.

"I think," Cox concluded, "we would be better off not to have the traffic authority."

Bids for gasoline, transmission fluid, antifreeze and motor and hydraulic oil will be opened at the next session of the commission.

This will mark the first time the city has required specifications on anything other than the gasoline.

Felix Pierce, Mobil Oil Company consignee, had the fuel contract that expired Monday. He is also a city commissioner.

Buffs Lose To Colorado

Beat Albuquerque

Coach Dennis Walling's Buffalo cagers took an 87-77 victory over the University of Albuquerque Thursday night of last week but then lost to Colorado State's Rams 98-88 Monday night.

The Buffs actually outscored the Rams on field goals 34-31 but CSU converted an amazing 37 of 44 free throw attempts. The Buffs hit only 30 of 32 charity tosses.

The Buffs held their own during the first 11 minutes of the game and actually led 23 to 20 before the Rams unleashed an offensive which sprang them into a 48-31 lead by halftime.

Simmie Hill entered the game with a 29.8 scoring average but was unable to sink a single field goal during the first half.

Even then he finished the game as his team's leading scorer with 24 points, followed by Mike Mitchell with 20 points, Maurice Savage with 15, David Cole with 12 and Lonnie Speck with 11.

The Buffs began a comeback in the second half after trailing 20 points. West Texas narrowed the lead to six points several times but the Rams' deadly aim from the free throw line kept their hold on the lead.

Savage was outstanding early in the first half, rebounding ferociously and scoring on Hill's missed shots for nine points. He ran into foul trouble, however, and was forced to slow his pace. He fouled out with 7:43 remaining in the game.

Gale Rhine left the game two minutes later on fouls as the Buffs were whistled down 29 times as compared to 23 for the visitors.

The game was the Buffs' fourth loss against one win.

Walling was complimentary of the Buff team effort following the win over Albuquerque.

"I was well pleased with our hustle," said Walling. "Simmie Hill showed everyone why we regard him as an all-American candidate and David Cole and Mike Mitchell and Maurice Savage all played well.

"Some of our players, including Mitchell, Gale Rhine, Lonnie Speck and David Nowlin, played with injuries and I certainly admire their sacrifice. We also got excellent efforts from sophomore guard Mike Horton and junior center Jim Nielsen."

Mitchell, who drew the assignment of guarding Albuquerque's 6-5 scoring sensation Lyndell Conaway, held the Don ace to a season low of 18 points while contributing 20 points, four rebounds and four assists to the victory.

Conaway entered the game with a 34-point scoring average. Mitchell's output boosted his scoring average to 19.7.

Walling had high praise for Cole's efforts in the Albuquerque game.

"David played an outstanding floor game," said Walling. "His passing to our inside men was excellent and his fine defensive play rattled the Dons into some costly turnovers."

Walling also singled out Savage, who enjoyed his second straight outstanding performance. Savage's field goal tied the score at 51-51 with 14:43 remaining, and a Savage basket gave the Buffs a 53-51 edge which they did not relinquish. Savage scored 14 points to bring his scoring average to 11.3. He also pulled in 12 rebounds.

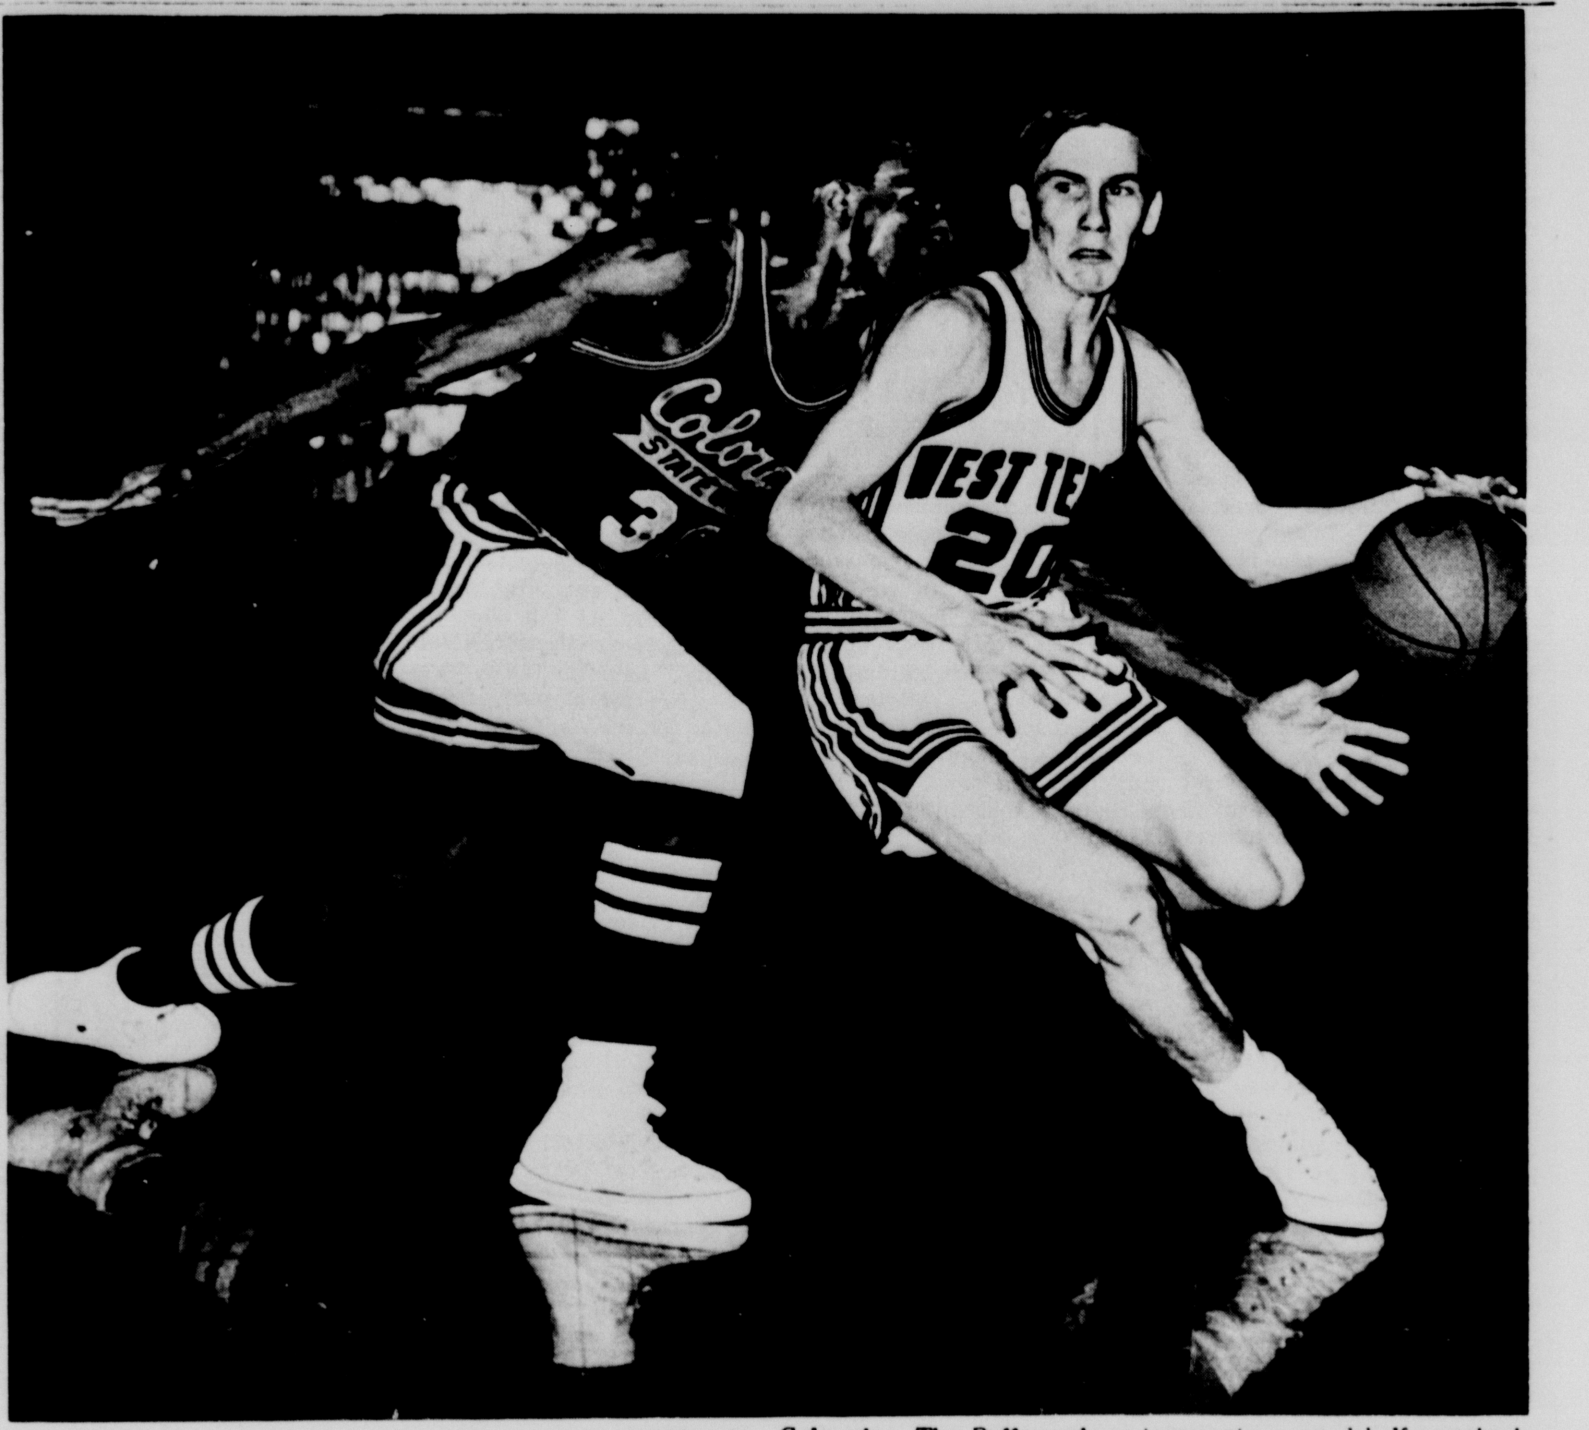
Buffs To Meet Houston Team

West Texas State's battling Buff basketballers fly to Houston Friday morning for a Saturday afternoon engagement with the second ranked University of Houston Cougars. The game is set for 3:15 p.m. in Delmar Gymnasium.

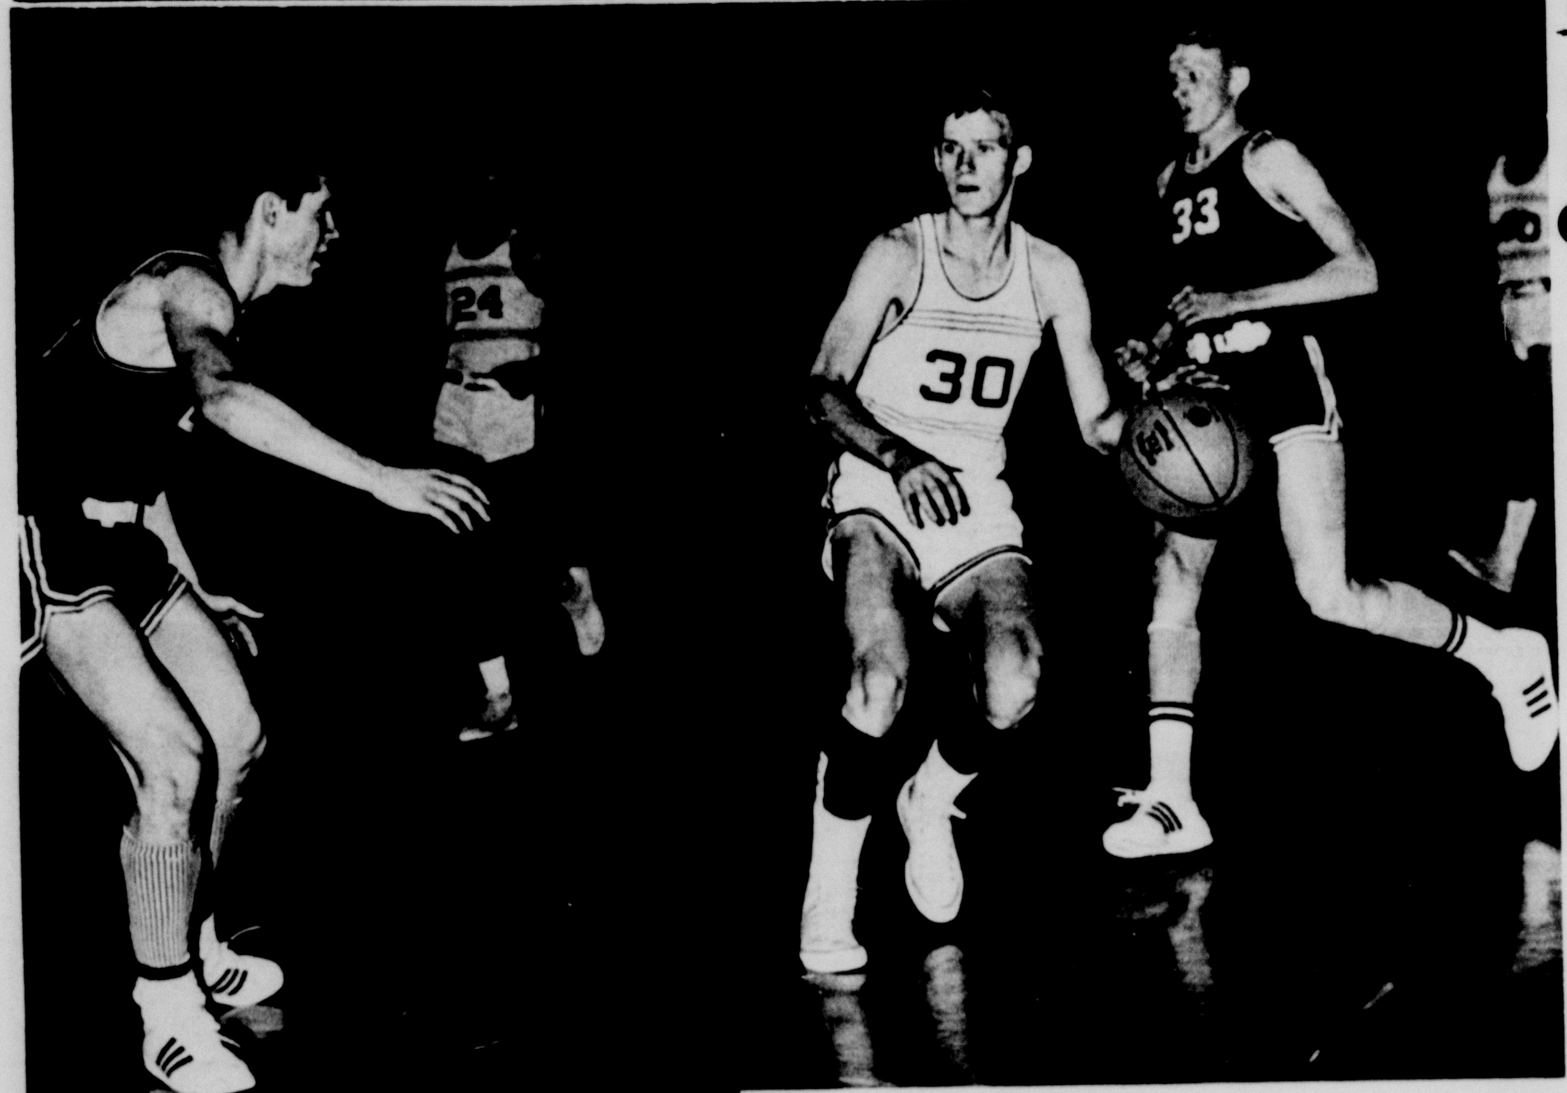
Houston, led by All-America forward Elvin Hayes, will enter Saturday's contest with a 16-0 record compared to a 1-4 worksheet for the Buffs. Coach Guy Lewis' Cougars are averaging 90.3 points a game while checking opponents to a 67.8 scoring mien. West Texas State is averaging a solid 83.0 points a game; however, Buff opponents are scoring at an 89.2 pace. Leading Cougar scorers are Hayes (32.6), 6-9 center Ken Spain (13.3), 6-5 guard Don Chaney (13.1), 6-7 forward Theodis Lee (13.3), and 6-4 guard George Reynolds (7.5). These five also compromise Houston's probable starting lineup for Saturday's game.

Aside from an obvious flair for scoring, the Cougars have outrebounded opponents by a sound margin, averaging 59.1 caroms to 37.0 for opponents. Leading Cougar rebounders are Hayes (16.6), Spain (13.4), Lee (7.9), Chaney (6.4) and Reynolds (3.6).

West Texas State is led by 6-5 All-America forward candidate Simmie Hill who scored 24 in the Buffs' 99-88 loss to Colorado State here Monday night. Hill presently ranks 7th nationally in scoring with a 28.4 average. He is supported by 6-2 guard Mike Mitchell (17.8), and 6-9 center Maurice Savage (12.0), 6-1 guard Lonnie Speck (9.8) and 6-3 guard Gale Rhine (7.2). David Cole, a 5-7 playmaking guard is averaging 4.4 while starting the last three games.



WEST TEXAS STATE'S David Cole (20) moves the ball for the Buffaloes. Coming in to try to trip him up is Floyd Kerr for Colorado. The Buffs made an impressive second-half comeback but lost the game 99 to 88.



JACKIE THRASHER (30), Canyon High School roundballer, scored 12 points in this cage action against Spearman which saw the Eagles take a 58-53 victory Saturday night. Other Eagles shown are left, Steve Butler (24) and at far right is Robert Olson (10).

Second District Game Scheduled

The Canyon High School boys varsity squad will travel to Muleshoe Friday in an attempt to even the Eagle's 1-0 district record for the season.

The CHS aggregation fell 47-71 to Perryton last week, their first district foe.

The Perryton team, Coach Tom Buchanan explained, probably has the best team in the district and one of the better AAA teams in the state.

Robert Olson was high point man in the clash with 14 markers, followed by Gaylen Davis with nine.

The CHS group was out-shot and out-rebounded, Buchanan said, but not outplayed.

In 'B' team action against Perryton, the CHS group won by a final tally of 66-52.

Lynn Salmon was high with 18 markers, followed by Bobby Martin with 14 and John Hodges with 11.

A full-court press was used by the Eagles to bring in a victory for CHS.

In other action last week, the Eagles fared better in two games with Spearman, winning the varsity clash 58-53 and taking the 'B' contest 50-45.

Lon Conner was top scorer for CHS with 16 points, with 15 markers sunk by Robert Olson and 12 by Jackie Thrasher.

The Eagles trailed in the clash game until the final three minutes of play when they used a full-court press to take the contest. CHS had been behind in each of the previous quarters of play. "They beat us on the boards," Buchanan said, "but we had a good defense on the inside."

In taking their 50-45 win, the 'B' squad also pulled a full-court press in the final minutes of play for a CHS victory.

In the game, Larry Daniels, Jerry Landrum and Ronnie Hager each scored 10 markers for CHS.

The varsity and 'B' teams will host Hereford Tuesday with the first game beginning at 6:30 p.m. in district competition.

'B' Tourney Slated Here

Six area high school basketball teams will be in Canyon today, Thursday, through Saturday for a 'B' squad tournament at the Canyon High School gymnasium.

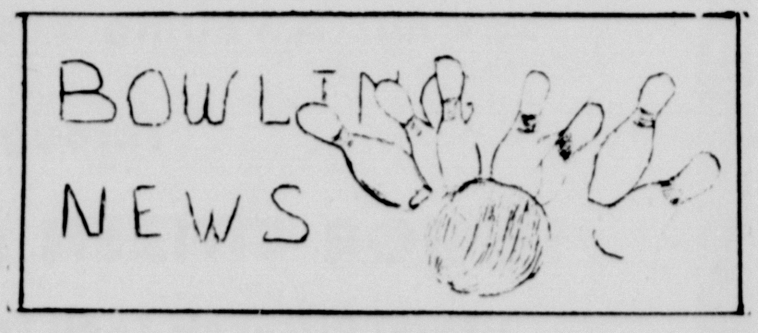
Action for Canyon will begin this afternoon at 5 o'clock when the CHS girls meet Alamo-Catholic of Amarillo.

The Canyon 'B' boys team will meet Friona at 6:15 p.m. and the CHS sophomore squad is pitted against Boys Ranch at 8:45 Friday.

Other schools in the tourney will be Happy, Hereford and Tulia.

First place trophy will be presented by the Canyon Kiwanis and Rotary clubs and those giving second, third and consolation trophies will be Taylor and Sons, Veterans of Foreign Wars, Chamber of Commerce, Lions Club, Buffalo Barber Shop and the Hosea Foster Agency.

In case of a tie, awards will be presented on the total number of points scored.



TWILIGHT LEAGUE: Craig Potato Company is in first place with a 48-24 record. Second is Canyon Glass and Radiator, 46-26, and Randall County Abstract, 44-28, is third.

High games were Becky Southern, 204; Barbara Hale, 192; Mary Lou Evans, 187; Carolyn Landrum and Kass Dodson, 186 each.

High series were Becky Southern, 520; Ann Smith, 507; Barbara Hale, 505; Carol Schrib, 503; and Mary Lou Evans, 497.

Midwinter Lions Club Conference

Midwinter conference of Lions Club District 2T-1 will be held Feb. 10 and 11 in Canyon.

Presiding over the meeting will be Dr. Kenneth Waugh, Lions Club district governor. Dr. Waugh is a member of the West Texas State University faculty and a member of the Canyon Lions Club.

Registration will begin at 1:30 o'clock the afternoon of Feb. 10 in the Student Union Building at WT. Various workshops will be held later in the afternoon.

There will be a dinner for delegates that evening and the group will attend a basketball game between the Buffaloes and the Oklahoma City Chiefs that night.

At the game, Lions will be featured along with the Lions Club-sponsored High Plains Eye Bank.

There will be a dance following the game and then Sunday morning workshops will continue. A recess will be called at 10:45 o'clock Sunday morning to allow delegates to attend the church of their choice.

Floyd Hamman of Phoenix, Ariz., will be the featured speaker at a luncheon Sunday. Hamman is a director of Lions International and is billed as one of the dynamic young men of America.

Past district governors will be honored at the luncheon.

Also to appear as a speaker during the conference is W.T. "Dub" Nelson, a past district governor and presently public relations director for Morton Foods in Dallas.

EagleRoundballers Slate Cage Action

Following their participation in a 'B' team basketball tournament here this week, the Canyon Eagles girls squad will travel to Muleshoe for a district game Friday night and to Boys Ranch for a contest with Panhandle Tuesday night.

Game time in each case is 6:15 o'clock.

The Eagle lassies were successful in downing Sanford-Fritch here Tuesday in both a varsity and 'B' contest, but failed in attempts to defeat Stinnett last week.

In the 'B' contest against Fritch, Pinky Woodward sank 17 baskets to lead the Eagles, with Janis Hand scoring 11 points. In the coaches scoring system, Miss Woodward had plus 24 and Miss Hand received a plus 12.

Cindy Jones pulled down seven rebounds and received an equal number of coaches points for the action.

The Eagles led the Fritch squad at the end of every quarter to take the easy 50-28 victory.

The varsity Eagles defeated Fritch by a final tally of 72-49 At the half, Canyon lead the scoring 46-27.

Miss Susan Swatzell led the scoring with 35 points, followed by Pam Richardson with 26 markers. They had plus 46 and 32 points, respectively, on the coaches point system.

In the varsity game, Linda Dudenhoeffer took five rebounds and Cheryl Davis had 4 and a plus five on the scoring.

In the Stinnett games, the Rattler 'B' squad won 35-30 and the score was 42-41 in the varsity contest.

Miss Woodward scored 19 baskets and received plus 25 on the point system, followed by Linda Brown who had a plus 10 and was accredited with seven rebounds.

Stinnett led 9-8 at the end of the first period of play and moved ahead 28-22 at the close of the third quarter of cage action.

In the varsity clash that went into a three-minute overtime, Miss Richardson scored 19 markers and plus 19 points, followed by Jan Sternenberg who had 15 baskets.

Miss Dudenhoeffer pulled down 10 rebounds and Miss Davis received a plus eight on the scoring system.

Miss Sternenberg and Miss Richardson both scored two points in the overtime period of play and Miss Swatzell had 1 basket.

Canyon led at the close of each quarter of play and at the end of regular action the score was 36-36.

54 Bikes Licensed

Canyon Kiwanis Club has inspected and licensed approximately 54 bicycles in the current Bicycle Safety Program being sponsored by the Rex Reeves Parent-Teacher Association.

The Kiwanis Club furnished licenses for those bicycles inspected. Additional inspections will be set up at another date, according to Jim Martin, chairman.

In connection with the bike safety campaign, the PTA has started plans for an art and essay contest involving the elementary students. Oscar Hinger, Rex Reeves principal, said that plans for the art and essay contest have not been completed.

MR. AND MRS. RONALD CLIVE CORBYN

Miss Bowman-Corbyn Wed In Bovina Home

Miss Dorothy Nell Bowman and Ronald Clive Corbyn were united in marriage December 21 at the home of the bride's parents, Mr. and Mrs. C. W. Bowman of Bovina.

J. B. Fowler, pastor of Bovina Methodist Chruch, officiated at the double ring ceremony.

The bridegroom is the son of Mrs. Dorothy L. Corbyn of Fort Worth and R. C. Corbyn, with the United States Armed Services in Saigon, Vietnam.

Altar flowers of white gladioli and red carnations were used for the occasion. Mrs. Jimmie Clements played traditional wedding music at the piano including "O Perfect Love", "Because" and "I Love You Truly".

Given in marriage by her father, the bride wore a white knit dress with matching hat. Her ivory carved earrings were a gift of the bridegroom. She carried a bouquet of white orchids and pixie carnations on the top of a white Bible.

Her sister, Sandra Bowman, was maid of honor. She wore a red knit dress trimmed in gold and carried a bouquet of white carnations.

Best man was Eric Corbyn, brother of the bridegroom. The bride's brother, Eugene Bowman, ushered guests.

A reception honoring the couple was held in the home. The reception table, covered with a white damask tablecloth, was centered with a bouquet of red carnations trimmed in gold and accented with Christmas holly leaves. Lighted red tapers flanked the arrangement. Nancy Martin served the double tiered wedding cake and cranberry punch was served by Carol Denny. Guests were registered by Sandra Patterson.

Following a wedding trip to points in Old Mexico, the couple is at home in Canyon where both are students at West Texas State University.

The bride is a graduate of Bovina High School and is slated to receive a business certificate in January from WTSU. She is a member of Delta Zeta sorority at the university.

A graduate of Arlington Heights High School in Fort Worth, the bridegroom will receive the BS degree in geology from WTSU in May. He has played tennis on scholarship for the past two years. The bridegroom plans graduate study in anthropology with emphasis in New World archaeology following his studies here.

PESO Topic For Women's Club Here

"PESO in Action" will be the title for a program by Mrs. Audrey Sanders at Tuesday's meeting of the Canyon Study Club.

Mrs. Sanders was a teacher in the Canyon Public Schools before she became a secondary specialist in social studies for the Panhandle Education Service Organization. She received her bachelor of arts degree from Stephen F. Austin College and master of arts from West Texas State University.

The "history of PESO" will be given by Mrs. Ronald Taylor and Mrs. Bill Auvenshine.

The meeting, which begins at 7:30 p.m., will be held in the home of Mrs. Weyman Brown.

Anniversary Is Planned

Canyon Jaycee-Ettes began plans for a tenth anniversary event to be held February 18 at a meeting Monday night in the home of Mrs. Charles Marshall.

Mrs. Weyman Brown, president, appointed Mrs. Delbert Turk and Mrs. Marshall as co-chairmen for the February event which will serve as a reunion for all former members of the Canyon women's civic club.

Refreshments were served to Mesdames Weyman Brown, Jim Scott, Don Fatout, Charles Marshall, Allen Parson, Delbert Turk and guests, Mrs. Tommie Terrell and Mrs. Terry Clark.

USC Subject Is Australia

"Australia. . .via daughter Florence" will be the title of a program to be given by Mrs. Herschel Coffee Friday for the University Study Club of Canyon.

The meeting, which begins at 1:30 p.m., will be held in the Girl Scout Building. Mrs. C. E. Thompson will make the introduction.

Co-hostesses are Mrs. R. B. Gist, Jr., Mrs. T. S. Stevenson, Jr., and Mrs. Lee Roy Moreland.

Doug Ford of Jol, N.M. spent the holidays with his grandparents, Mr. and Mrs. J. M. Ford of Canyon.

MRS. DAN HIGGINS selects favorite recipes including Date Pie, Raisin-Coconut Pie and Macaroni Salad to share with our readers this week.

Society News

COOK OF THE WEEK

Shares Favorites

Mrs. Dan Higgins of 1808 Eighth Avenue shares three favorite family recipes with our readers this week including a Date Pie, a Raisin-Coconut Pie and a Macaroni Salad.

The former Pauline Harris, Mrs. Higgins has live in Canyon since she was ten years old. Her mother, Mrs. Addie Scruggs, lives in Amarillo and a brother, Tom Harris, resides in Denver, Colorado.

A graduate of Canyon High School, Mrs. Higgins and her husband, Dan, were married in 1937. He was originally from Hereford and graduated from Corsicana High School. He is a carpenter at West Texas State University.

Mrs. Higgins is manager for the 'coffee shop' of Buffalo Book Store in Canyon.

The Higgins have one son, Tommie, who is a graduate of CHS and is majoring in business and finance as a student at West Texas State University. He is employed with the American National Bank in Amarillo and is a member of Phi Delta Theta social fraternity.

Mrs. Higgins is president for the Texas Theta Mother's Club in Canyon. She also likes to spend her free time with crafts and other hobbies.

A member of the Masonic Lodge, Mr. Higgins is also in the Scottish Rite and has held an office in the Grand Lodge of Texas.

Another member of the Higgins family is Ginger, a collie-german shepherd dog, which has been with them for 16 years.

The Higgins designed and built their own home five years ago. The unusual home has "no bedrooms". The master sleeping quarters is adjacent to the livingroom and can be screened off with folding doors. Tommie's sleeping facility resembles a den in the daylight hours and a hide-a-bed converts for sleeping.

"People often think it funny that we say we don't have a bedroom in our house" said Mrs. Higgins. "But we like it that way, and it is rather unusual."

Mrs. Higgins, who says that "she likes the holiday season to last longer than most people", shares recipes which could be used at any season.

Her recipes include:

DATE PIE

3 eggs
2 Tbsp flour
2 cups sugar
1 cup milk
2/3 cup dates
1 Tbsp. butter
1 cup nuts

Mix in order given. Cook in saucepan until thick. Pour into baked pie shell. Top with whipped cream. Refrigerate. Serve in small pieces as pie is extra-rich.

RAISIN-COCONUT PIE
(Makes 2)

2 cups sugar
2 cups raisins
1 cup coconut
1 cup butter or cream
4 eggs, separated

Mix sugar, cream and egg yolk. Add raisins and coconut Beat egg whites and fold in last. Bake in two unbaked pie shells at 350 degrees until browned.

MACARONI SALAD

Cook two cups (8 oz.) elbow macaroni according to package directions. Drain. Rinse in cold water and drain again.

Combine macaroni with:

1/2 lb. grated process American cheese
1 cup sour cream
6 Tbsp. vinegar
1 med size onion, chopped
1 med. size tomato, chopped coarse
salt and pepper to taste

Reserve one cup of cheese. Mix remaining cheese, onion, tomato, sour cream, vinegar, salt and pepper with macaroni. Sprinkle top with reserved cheese. Chill. Serves 4-6.

Mrs. Barrett Honored By Publication

Mrs. Carolyn Barrett of Fresno, California was recently named one of the nation's Outstanding Young Women and a biographical sketch of her accomplishments will be among those published in the 1967 edition of "Outstanding Young Women of America".

Mrs. Barrett is a daughter of Luther E. Kiker and the late Mrs. Kiker of Canyon. She earned a bachelor of music education degree from West Texas State University in 1955 and received the master of church music degree from Golden Gate Seminary in 1960.

A fifth grade teacher in Fresno, Mrs. Barrett is a mirambist and also plays the organ for her church.

Her husband, Duane, received the bachelor of science degree from WTSU in 1955 and earned the master of religious education at Golden Gate Seminary. He is presently director of music and education for the Southern Baptist Assembly for the state of California.

Priscillas Plan Event

Priscilla Needle Club met recently at the home of Mrs. D. M. Foster with ten members present and Mrs. Claude Boatman, presiding during the business session.

Minutes from November and December business meetings were read and approved. Menu plans for a luncheon February 7 were outlined at the meeting. The luncheon, to be held in the S. B. Loudder home, will also serve as the meeting for election of officers and appointments of committees.

Refreshments of cheese cake, tea and coffee were served to Mesdames R. A. Hodges, A. K. Goodman, Claude Boatman, T. S. Stevenson, Sr., Mark Foster, H. M. Stokes, E. R. Cleavinger, C. M. Presley and Alfred Bellah.

Clothing Workshop Is Monday

A planning session for a Spring Clothing Workshop will be held Monday at 1:30 o'clock in the Farm Bureau Building, according to Mrs. Sydney Hall, home demonstration agent.

Home demonstration club members and other interested women are urged to attend the session, as final plans will be made for the workshop.

Recent guests in the Claude Cooper home for the holidays were Lonnie Wall of Burleson, Colo.; Miss Sylvia Wall of Oklahoma City, Okla.; and Miss Rachael Wall of Goodland Kans.

Miss Cudd Weds Carter In Wellington Nuptials

MRS. LEIGH KENT CARTER

Miss Janice Lea Cudd became the bride of Leigh Kent Carter of Canyon in a double ring ceremony performed December 26 at the First Methodist Church in Wellington by Rev. John Fitzgerald.

Parents of the bride are Mr. and Mrs. Wayne T. Cudd of Wellington. The bridegroom is the son of Mr. and Mrs. Lynn Carter of Wellington.

The bride's honor attendants were Mrs. Jim Ferguson of Lubbock and Miss Susan Sullivan. Bridesmaids were Misses Belva Bradford of Stinnett, Darlene Bragg of Estelline, and Jan McGill of Wellington. Flower girl was Miss Kelly Covey.

Granvel Killian of College Station was best man. Groomsmen were Bill Durfey of Lubbock, Fred Hoffman of Amarillo, Arthur Woods of Little Rock, Arkansas, and Billy Henard of Wellington. Ushers for the occasion were Jim Lindsey, Mark Strickland, Rodney Kane and Sandy Covey.

Given in marriage by her father, the bride wore a formal wedding gown of crepe highlighted with lace motifs. Her headdress was a matching mantilla, and she carried white orchids, roses and stephanotis.

The nuptial service was concluded with a reception in the church parlor.

A former student at Texas Technological College in Lubbock, the bride is currently a student at West Texas State University in Canyon.

The bridegroom formerly attended Tarleton College in Stephenville and Clarendon Junior College. He is employed with Buffalo Barber Shop in Canyon.

The couple will be at home at 117 28th St. in Canyon.

Happy Club Has Meeting

Woman's Study Club of Happy met recently in the home of Mrs. Dora Ratjen with Mrs. Copus Boyd as co-hostess.

Mrs. Boyd, president, was in charge of the meeting as Mrs. C. W. Vernon led the club pledge and roll call was answered by 19 members giving "their favorite means of saving".

The nominating committee reported on selections for new officers. Communications were read by Mrs. Hobart McManigal, corresponding secretary.

"The Art of Investing Wisely" was the theme of the program introduced by Mrs. Cone Johnson, public affairs chairman. She also showed a film "The Land of Love".

Mrs. Willard Middleton presented "Are Private Profits Good for the Nation" and Mrs. C. W. Vernon led group singing of "The Battle Hymn of the Republic.

A refreshment plate of apple pie, cheese squares, coffee and soft drinks was served.

DZ Alums Have Meet

Mrs. O. A. McBroom entertained alumnae members of Delta Zeta sorority at a meeting in her home Monday evening.

Mrs. Jerry Puckett presided during the business meeting as plans were made for a dinner with husbands to be held in February.

Present were Mesdames Alfred Bellah, Gary Garner, Tom Keeling, O. A. McBroom, Lee Roy Moreland, J. O. Parker, Jack Priddy, Fred Stoker, Wm. R. Wilson, and Jerry Puckett.

Lakeview HD Has Meeting

Lakeview Home Demonstration Club held its first meeting of 1968 in the home of Mrs. Floyd Oliver with Mrs. Porter Pollard presiding.

Nine members were present for the noon luncheon and business session. Next meeting will be January 18 in the Kenneth Oliver home on Palisades Road at 1 p.m.

Variety Ring Has Meeting

First meeting of the new year for the Variety Ring Club was held Friday in the home of Mrs. K. E. Hines.

New club officers assumed their duties and a brief business session was conducted. Members spent the remainder of the meeting with various forms of needlework.

Mrs. D'Jelma Smith was a guest. Members present were Mesdames Ben Priddy, Alice Black, Modena Barker, Buck Neal, Leonard Winters, Win R. Matsler, Levi Cole, E. P. Harding, J. P. Hammons, Earl Burtz, Fred Marshall and P. L. Pitt.

Next meeting will be January 19 with Mrs. E. P. Harding as hostess.

He has been engaged as soloist with many American orchestras in recent years including the Detroit Symphony, the Chicago Symphony, the Minneapolis Symphony, Cleveland Orchestra, National Symphony of Washington, Hartford Symphony, NBC Symphony and many others.

A composer, Shirley has to his credit four organ symphonies, numerous pieces for piano, two string quartets and a piano concerto.

Members of the Canyon Community Concert Association and their guests are urged to attend, according to Mrs. Royal Brantley, CCA president.

Soldier's Unit Cited

Technical Sergeant Robert P. Ganthreaux, whose wife, Nan, is the daughter of Mr. and Mrs. H. H. Shipman of Happy, is a member of a unit at McGuire AFB, N. J., which has been named as the best of its type in the Military Airlift Command (MAC).

The sergeant is a jet aircraft technician in the 612th Organizational Maintenance Squadron which was recently selected as the top maintenance unit in competition with all others in the command.

The unit was cited for its outstanding accomplishments in readying C-141 Starlifter and C-135 Stratotanker aircraft for support of the Vietnam war and numerous airlift missions.

PHT Award For Woman

Mrs. Gary House of Canyon was among those receiving a special award for "Pushing Hubby Through" at recent graduation ceremonies for the fall trimester at Oklahoma State Tech in Okmulgee.

Other "PHT" awards went to Mrs. Larry Prater of Neosho, Missouri and Mrs. Kathy Burkybile of Joplin, Missouri.

Graveside Rites Held

Graveside rites for Mrs. Florence Cannon Whittington, 88, were conducted Friday at Dreamland Cemetery with Rev. Baldwin Stribling, pastor of the First Presbyterian Church of Canyon, officiating.

Mrs. Whittington, widow of the late attorney Charles Wesley Whittington of Amarillo, died last Wednesday at LaCasa Canyon Convalescent Home in Canyon.

She was a native of MacComb, Illinois and moved to Amarillo in 1921, where she was a member of the First Presbyterian Church. She was preceded in death by two sons, Joe Whittington and Charles Whittington.

Survivors include two daughters, Mrs. Eugenia Bosquin of Santa Barbara, California and Mrs. Florence Roessler of Alexandria, Virginia; seven grandchildren and five great-grandchildren.

Bonnie Whittington of 1903 Sixth Avenue of Canyon is a daughter-in-law.

Committee Meeting Thursday

A meeting of the Milton and Cathryn Morris Memorial Loan Fund Committee will be held at 3 o'clock this afternoon (Thursday) in the Student Financial Aids office in the West Texas State University Administration Building.

Dr. J. A. Hill is chairman.

The committee has set out to raise a student loan fund in honor of Milton "Buff" and Mrs. Morris. Morris fathered the Opportunity Plan at West Texas State.

He recently was named man of the year by The Amarillo Daily News and Globe-Times.

Anyone wishing to contribute should make checks payable to Jack Jones, executive secretary, or send checks to the fund at either the First National Bank or West Texas State Bank, both in Canyon.

Scout Awards Slated Sunday

Nine Canyon scouts are scheduled to receive the God and Country award in ceremonies Sunday morning at the 10:50 a.m. worship services of the First Methodist Church.

Receiving the top religious award for scouting will be Stephen Daugherty, Bruce Crager, Nobie Cates, Ronald Cates, Chris Olson, Mike Swatzell, Richard Burton, Bill Byrd and Tom Trew.

J.M."Red" Simpson Announces Candidacy

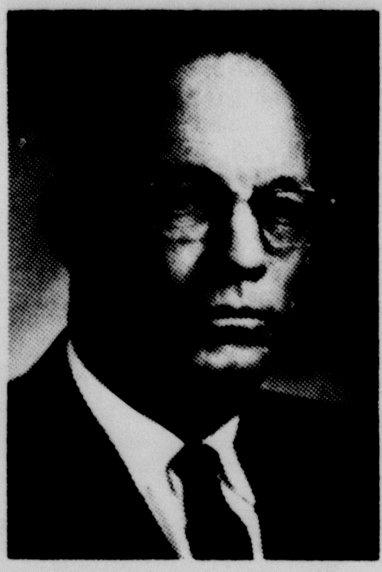
State Representative, J. M. "Red" Simpson, three-term encumbent in the state lawmaking body, makes the following statement today relative to his candidacy for re-election.

"In July, 1967, I announced I would not run for re-election. A number of important factors have forced me to reconsider, however. A large number of my constitutents in the district and a large number of my colleagues in the House of Representatives have argued the importance of our district maintaining its position of seniority in the house.

"I was further motivated by the fact that several extremely liberal groups from the southeastern part of the state took a great deal of solace from my announcement not to run.

"The resignation of several other responsible legislators of considerable seniority makes it imperative that our district maintain its position of leadership.

"Being in such a position, I feel an obligation to continue the participation in public service which I began over ten years ago. My goal is nothing more than the expression of conservative ideals and the presentation of the needs of my district to the state's lawmaking body.



J.M. "RED" SIMPSON

"During the time which I have served in public life, I have tried to evaluate carefully each issue as it has come before me. I have voted on each issue without regard to any special interest groups, and have sought to reflect the wishes of my constituency. This I pledge to continue as I seek a fourth term as State Representative."

Simpson seeks to continue his representation of the 75th district which includes Randall, Carson, Armstrong, Briscoe, Donley and Collingsworth counties. (PD. POL. ADV.)

Children's Basketball To Begin

Approximately 90 boys and girls are participating in the children's basketball program this year.

Program director is Dr. Duane Guy. Dr. Guy said more adult help is needed although 15 adults have volunteered to assist in the program.

Play is scheduled to begin Jan. 20 at 9 o'clock in the morning. Games will be played at Canyon Junior High School. Dr. Guy said facilities have been made available at West Texas State University if they are needed.

News Brief

DURING THE MONTH of November United States Savings Bond sales in Randall county totaled $12,730.00 according to a report received today from Bill Adams, chairman of the Randall County savings bonds committee.

The January-November sales totaled $193,286.00, and this is 72 per cent of the 1967 goal of $270,000.00.

During the first eleven months of 1967 Savings Bond sales in Texas totaled $153,756,962.00 which is 85 per cent of the 1967 sales goal and a 10.3 per cent increase over sales during the same period last year.

Nationally, the total sales of Series E and H Savings Bonds for the first eleven months of 1967 amounted to $4,546 million--1.3 per cent above a year earlier.

Sales of the new Savings Notes available only to regular buyers of E Bonds totaled $17.3 million during November, bringing the cumulative total to $62.8 million since May.

Area Drama Workshop Slated Saturday

About 250 high school students from the Panhandle area are expected in Canyon Saturday for the 11th annual Buffalo Masquers High School Drama Workshop.

Thomas Hoffman, instructor in speech at West Texas State University, is faculty sponsor of the workshop. He said 67 high schools had been invited to send representatives.

About 40 university students will stage two one-act plays in the Fine Arts Building on the West Texas State University campus. The plays will be Anton Chekov's "The Brute" and Edna Vincent Millay's "Aira da Capo." "The Brute" will be staged at 9:45 a.m. William A. Moore, associate professor of speech, will give a commentary on that production immediately thereafter. The Millay play will come at 3:10 p.m. Both productions are under a student director, Lee Williams, president of the Masquers.

At 10:50 a.m. students may attend a workshop on the technical side of a dramatic production, including properties and costumes. A similar session will occur when makeup, lighting, sound and scene designing and construction will be discussed.

Meanwhile, at 1 p.m. a general session of the workshop will be addressed by Don Irwin, state drama consultant of the Texas Education Agency.

Visitors will be on their own for lunch. The drama coaches will have a coffee session from 2 to 3 p.m. in the formal lounge of the Fine Arts Building. Irwin will discuss federal financing of high school drama.

Registration for the one-day session, begins at 8:15 a.m. in the Fine Arts Building.

Veteran Law Officer Is Taken By Death

Lem Pounds, Randall County deputy sheriff from 1949 until his retirement last February, died in his home Friday at 4421 Bowie in South Amarillo.

Funeral services for Mr. Pounds, who had a career in law enforcement that spanned 41 years, were conducted Monday in the Blackburn Shaw Memorial Chapel at Amarillo. Mr. Roy Hannah, minister of the Amarillo South Lawn Church of Christ, officiated.

Interment was in Memory Gardens Cemetery.

Mr. Pounds, 76, was born Feb. 25, 1891 in Collin County, Tex. He was Clayton, N. M.'s only night policeman, city where he began his law enforcement career.

He advanced to chief of police and later served with the sheriff's office in Clayton before moving to Amarillo where he was a deputy from 1943 through 1946.

LEM POUNDS

He was jailer in Lubbock for three years and returned to Randall County in 1949 as a deputy.

"I've had fun and I've had misery," Mr. Pounds said in an interview last year. "I've also had long and short hours too."

Survivors include his wife, Artie; sons, Marshall of Amarillo and Raymond of Tulsa, Okla., a sister, Mrs. Nina Melton of Parker, Ariz.; two grandchildren and two great grandchildren.

Pallbearers were Don Robertson, Ben Andis, T. H. Nall, Jim LeNeveu, Ray Tinsley, Al Smithers, W. W. Hilton and Cliff Longest.

Honorary Pallbears were local law enforcement officers.

Blair Garner Has Birthday

The fourth birthday for Blair Garner was observed Saturday with a party at the home of his parents, Mr. and Mrs. Gary Garner.

Guests were Kathryn and Shavawn Evans, Janie Baird, Pat Carlisle, Robert Haraden, and Robbie Munsell.

Boston Is Loan Officer

Charles E. Boston began duties this week as installment loan officer for the First National Bank of Canyon.

A Canyon native, Boston graduated from Canyon High School. He served four years as an aviation electronics technician with the United States Navy and has been in the finance business with Commercial Credit of Amarillo, Southwestern Investment Corporation in Amarillo and was loan manager for Commercial Credit in Albuquerque, New Mexico.

Boston is the son of Mr. and Mrs. Murray Boston of Canyon. His wife, the former Nancy Root, is the daughter of Mr. and Mrs. Gene Root. The Bostons and their three daughters, Becky, 6, Amy, 5, and Emily, 3, will soon be moving to Canyon.

CHARLES E. BOSTON

Graveside Rites Held

Graveside services for Leonard Manning, 29, of Lewisville were conducted Wednesday at Dreamland Cemetery with Rev. Newton Starnes, pastor of First Methodist Church of Canyon, officiating.

An electrician, Manning died at his home Sunday of an apparent heart attack.

Interment was handled by LaGrone Funeral Home of Canyon.

Survivors include his wife, Emma Sue, and a daughter, Billie Sue, both of the home. He was a son-in-law of Mr. and Mrs. T. W. Thrasher of Canyon.

The youngster is the son of Mr. and Mrs. Herman Alexander of Canyon, president of the PTA. The PTA purchased a total of 60 shrubs including 16 mandinas, 14 gold spots and 30 manhattans for a total of $157.50. The shrubs were planted as a border around the elementary building on the east and south sides.

Jones Dies, Rites Here

Requiem mass for Edward Jones, 83, was conducted Wednesday at St. Ann's Catholic Church in Canyon with Father George H. Sallaway officiating.

Rosary services were Tuesday evening at LaGrone Funeral Chapel in Canyon. Interment was at Wichita Park in Wichita, Kansas.

Pallbearers were J. J. Weirick, Paul Burt, Gordon D. Johnson, Don York, Ted Wynn and Clarence E. Thompson.

Mr. Jones died January 8 at LaCasa Canyon Convalescent Home, where he had been a resident since 1965. He was born September 4, 1884 in Sedgwick County, Kansas and married the former Mallie Weirick in Wichita, Kansas in 1906.

He was a member of Christ The King Church in Wichita, Kansas and was a retired groceryman. He was owner of E. Jones Grocery business in Wichita, Kansas for many years.

Survivors include his daughter, Mrs. C. W. Mount, Sr. of Amarillo; four grandchildren, Mrs. G. D. Johnson of Amarillo, Sgt. John Mount with the Marines in Santa Anna, California, Wayne Mount and Edward Mount; and a great-grandson, David Johnson.

Dairy Herd Production Reported

A report of milk production levels attained by dairy cows in area herds has been received from Holstein-Friesian Association of America. The actual food production output, under official testing rules, by these local Registered Holsteins is:

Palo Duro Ivanhoe Doris 539-4953, a five-year-old, produced 20,320 lbs. of milk and 810 lbs. of butterfat in 305 days; Palo Duro Exec Goldie 5080322, a six-year-old, had 22,090 lbs. of milk and 751 lbs. of butterfat in 301 days; J V H Lilacvalley Janlee Bess 5193278, a six-year-old, had 20,120 lbs. of milk and 749 lbs. of butterfat in 283 days; Janlee Hiward Pilot Jolo 5110838, a six-year-old, had 20,020 lbs of milk and 720 lbs. of butterfat in 305 days; Palo Duro Reflection Belle 5905752, a two-year-old, had 17,620 lbs. of milk and 660 lbs. of butterfat in 306 days. All are owned by Louis G. Hinders, Palo Duro Holstein Farm, Canyon.

These new production figures may be compared to the estimated annual output of 8,513 lbs. of milk and 315 lbs. of butterfat by average U. S. dairy cow, notes the national Holstein Association.

Texas A. & M. University supervised the sampling, weighing and testing operations in cooperation with the Holstein organization's herd and breed improvement programs.

Two Musical Events Are Announced

West Texas State University has announced two major musical events on the campus late in January and early February.

Dr. John E. Green, chairman of the department of music, said James Dick would appear in a special piano recital in the auditorium of the Fine Arts Building at 8:15 p.m. Jan. 28, and Vaclav Nelhybel will conduct a chorale and band concert in the same auditorium at 2 p.m. and 4 p.m. Feb. 4.

The latter, a Czechoslovakian composer residing in New York City, will be on the campus here Feb. 2-3-4-5. Two performances of the same works will be offered on Sunday, Feb. 4, because of anticipated public demand.

Kansas-born Dick, 25, has made an international reputation in 18 months. In June, 1966, he was one of the major prize winners in the Tschaikowsky competition in Moscow.

Both the Dick and the Nelhybel performances will be open to the public free of charge, but tickets must be reserved by mail or in person. Green explained that reservations were necessary to facilitate seating.

The department of music and the University Special Programs Committee are sponsoring the events.

Herricks Exhibit Is Held

An exhibition of landscapes and still life by Cheryl L. Herricks, senior art education student at West Texas State University, is on view in the lounge of the Fine Arts Building on the campus.

The show, which opened with a reception Sunday, continues daily through Thursday, Jan. 18.

The 21-year-old artist, a native of Upland Calif., graduated from Midland Lee High School. She moved to Lubbock with her parents, Mr. and Mrs. S. A. Herricks, about a year ago.

There are about 50 oils and water colors in the exhibition, all done during the past three years. Surroundings in her childhood home of Brill Wis., as well as impressions of the plains and canyons, are depicted.

Ag Boosters Meet Monday

"Agriculture in Australia" will be the subject of a program by Horace McQueen of Lubbock at the January meeting for the Canyon Area Ag Boosters.

McQueen will also show a film at the meeting which begins at 7:30 p.m. Monday in the Canyon High School cafeteria. All area agriculture boosters and guests are invited for the session.

Resident's Father Dies

Funeral services for William Thomas Blackwell, 69, were conducted at the First Methodist Church of Clarendon Saturday.

Interment was in the Claude Cemetery.

A native of Spur, Mr. Blackwell died last Thursday morning at Adair Hospital in Clarendon following a lengthy illness. He had been a resident of Donley County since 1914 and was a retired cowboy for the JA Ranch. He was a member of the First Methodist Church and the Cowpunchers Association.

Survivors include his wife, Maye; a stepson; and four daughters including Mrs. Louise Phillips of Canyon.

DICK CRITMAN, right, assistant manager at Buffalo Lake National Wildlife Refuge, is shown in the process of selecting birds for banding at the Refuge. Watching is Buddy Lynn.

Winter Recreation At Buffalo Outlined

A winter recreation program at Buffalo Lake National Wildlife Refuge has been initiated this year, according to Gordon Hansen, refuge manager.

The major purpose of the facility, located in western Randall County, is to provide rest and safety at the lake for the migratory waterfowl which invade the area each fall. The refuge is located in the Central Flyway, which is one of the four major waterfowl migratory routes in North America.

Guided and self-guided tours to view the large mass of waterfowl at Buffalo Lake are being held each Wednesday, Saturday and Sunday. The guided tours are set at 2 p.m. each of the days.

"The tour requires about two hours," said Hansen explaining that if the need arises the Blue Goose Tour will be extended to include other tour days. "It is an introduction to wildlife for many local students and school tours may be arranged by calling refuge headquarters."

The Blue Goose Tour presently has three information stations in operation. A fourth station is near completion. The information stations include displays of routes used by waterfowl, fowl which are prominently seen around Buffalo Lake, types of waterfowl and their habits, and the process of banding and keeping track of migratory fowl.

"Fowl migrate here from points in Alberta and Saskatchewan, Canada," said Hansen. "They spend their winter here in the south and along in late February, they begin the trek back to the breeding grounds."

Breeding grounds in the United States are primarily in North Dakota, South Dakota, Wisconsin and Michigan. These grounds produce about 10 percent of the waterfowl population and the remainder come from Canada.

The "banding station" at Buffalo Lake is located near information station No. 3. The banding unit includes a net and wire mesh enclosure which measures 200' by 60' and is about 5 feet high. Birds are led into the enclosure by folfowing a feeding line of grain.

"It is surprising how few of the birds get out once they have come through the gate," said Hansen. To band the birds, refuge workers shuttle them into a division side of the enclosure and then into a small section where each bird is examined individually.

"Birds not already banded are placed in sacks and after the group has been sorted, we examine each bird for age, gender and tag the leg with a small metal band," said Hansen. About 50 percent of the birds have already been banded when trapped, according to Hansen.

The bird bands contain an identification number and information where the banding was recorded. Daily banding at Buffalo Lake averages between 60-100 ducks and geese.

Two duck blinds have been installed for use by photographers and bird watchers," said Hansen. The present duck blinds were salvaged from a recent fire at the refuge. Four will be added by next winter.

Tourists at Buffalo Lake totaled more than half a million. The overall improvement program at the lake included the building of about 100 additional picnic facilities last year along with the re-routing and upgrading of access roads.

Johnston Is Asking Re-Election

L.S. "Slim" Johnston has authorized The Canyon News to announce his candidacy for re-election as sheriff of Randall County.

In making the announcement, Sheriff Johnston made the following statement:

"Randall County has one of the lowest crime rates in the nation. This is caused mostly by the standard set up by the people who live in a county and their desire to keep it that way by their willingness to sit on juries, to convict people who disobey our laws and vote in people who will carry out their wishes in the enforcement branch.

"I have been privileged to be on the team with you for several years now, and I take this means to ask you to keep me on the team by your vote and continued support. I will do my best to keep your Sheriff's office up to date and give you the best law enforcement of which I am capable." (P.D. POL. ADV.)

Heart Group Outlines Plan

Randall County chapter of the American Heart Association held a regular business session last Wednesday evening in the board room of the Randall County Courthouse with Mrs. Lee Reeves, president, in charge.

Plans were discussed for February "Heart Month" as the emphasis in a year-round program. The group decided to select films to be shown civic clubs during the emphasis month.

Levi Cole was appointed as memorial chairman.

Next meeting for the chapter will be February 5 at 7:30 p.m. in the board room.

Seek Feathers

MINUS THEIR INDIAN FEATHERS these pretty WaTanYe maidens are in a plight for the production "Music Man" to be presented February 1-3 at the Canyon High School auditorium. Cast members are seeking a variety of authentic costumes for the production. Pictured are Margaret Raef, kneeling left, and Kay Nester, kneeling right. Back row, from left, are Mary Mitchell, Molly Malone, Susan Booth and Karla Jordan.

Mrs. Walsh Resigns Post At Library

The resignation of Mrs. Andy Walsh as assistant librarian at the Randall City-County Library was announced at last Tuesday's regular meeting of the library board.

Mrs. T. B. McCarter, library board chairman, will review applicants for the position.

During the business meeting, it was announced that almost $150 was paid in library fines during 1967. The fines resulted from a two-cent per day charge on books overdue up to five days, and a five-cent per day charge after five days until the price of the book has been attained.

"This is a large amount of fines for this library," said Mrs. Michael Morris, board member. "It shows a laxness on return of books and often deprives others of reading the books."

SLIDES OF PAKISTAN were shown by Mrs. Johnny George at Tuesday's regular monthly meeting for the Woman's Missionary Union of the First Baptist Church of Canyon. Mrs. George is the former Janelda Cunningham of Canyon and spent two years with her family in Pakistan.

'Music Man' Cast Seeks Show Props

Cast members of Canyon High School's spring musical production "Music Man" are searching for authentic props needed for the staging of the annual musical, February 1-3.

A player piano in working condition heads the list as the largest and most unique item needed. Other props range from adult Indian costumes, pocket watches and watch fobs, plumes, feathers, broad-brimmed women's hat frames to an old stereopticon slide projector.

The play takes place in River City, Iowa, a 1912 farming community, creating the need for high top men and women's shoes, bowler and straw hats, knickerbockers and canes.

In appealing to the community, the cast urges any person knowing the whereabouts of any of these articles to contact Mrs. Charlotte Brantley, OL5-4444, or the CHS Music Department OL5-3734.

Pakistan Topic For Baptist WMU

Mrs. Johnny George presented an informative discussion and colored slides on "Pakistan and its People" at Tuesday's regular monthly program and luncheon for the Woman's Missionary Union of the First Baptist Church of Canyon.

Mrs. George, the former Janelda Cunningham, is a daughter of Mr. and Mrs. A.M. Cunningham of Canyon. She resided in Lahore, Pakistan for two years. while her husband was associated with the Pakistan Medical Research Center.

The George family including children, Scott, 10, Rusty, 6, and Jennie, 4, presently live in Lubbock, where he is associated with the biology department at Texas Technological College.

Mrs. Gene Morrison introduced the program and Mrs. J. Edwin Low gave the call to prayer. Mrs. Claude Moore was in charge of the regular business session.

Mrs. Strauss Atkinson announced that volunteers are being sought for a non-denominational auxiliary to serve the High Plains Baptist Hospital in Amarillo. An organizational meeting will be held at 10 a.m. Friday at the hospital in Amarillo. All interested women are urged to attend.
